required to start practice driving (behind the wheel) instruction*

Program Information

- **Complete Driver's Education Program**
 - **\$400.00***: thirty (30) hour classroom theory plus six (6) hours behind the wheel instruction(including End of Course Skills Test)**
- **Theory Class Only**
 - **\$135.00***: thirty (30) hour traditional classroom theory only

*rates valid for this session only

****End of Course Skills Test:**

Take your driver's exam with our school! Once both components of the driver's education program are complete and all State of PA DMV requirements fulfilled, the 6th hour of the behind the wheel instruction is reserved for the driver's exam. Our school is certified by the State of PA DMV and Department of Education to administer the driver's exam to our driver's education program students. Parental authorization is required.
